

### **Topics in Clinical Medicine 1**

The Topics in Clinical Medicine 1 Grade is comprised of one multiple choice exam which covers radiology topics addressed in the Structure of the Human Body Course.

A score of 70% is required to pass the exam.

Students who do not obtain 70% on the exam will be required to take, and successfully pass, a written remediation exam.

### **Topics in Clinical Medicine 2**

The Topics in Clinical Medicine 2 Grade is comprised of 2 components: the Semester I Radiology Exam and the Semester 2 Radiology Exam. The Semester 1 Exam covers radiology topics addressed in the Patient Centered Medicine -2 Course. The Semester 2 exam covers radiology topics addressed in the Mechanisms of Human Disease Course.

A score of 70% on each exam is required. Students who do not obtain 70% on an exam will be required to take, and successfully pass, a written remediation exam.
