

LIBRARY MODULE CLINICAL QUESTION AND SEARCH ASSIGNMENT

Assignment Instructions:

- Within the first week of your family medicine clerkship please identify a question you have about a patient encounter and complete the two part assignment below. This is due by 11:59 pm on the day of our Preventive Care Session at the beginning of the second week of the clerkship. The entire assignment should take you about 45-60 minutes to complete.

- **1) Complete the Library Module**
 - You can access the Library Module at
 - <https://rise.articulate.com/share/EdUVxPKzvxaWjBB9URIAVcx0QMNK06yu>
 - The module is optimized for mobile devices.

- **2) Go to Tests & Quizzes and complete the *Library Module Clinical Question and Search Assessment*.**
 - Our Health Sciences librarians will review your submitted assessment and provide feedback within one week of submission.
 - This work and selected citation is the basis of subsequently choosing an article to evaluate for the EBM project which is a separate assignment due at the end of your third week.

- **3) Attest you have completed the module and completed the quiz.**
